

Digital Escape Room: Animal Adventure Tournament

FAQ Guide

- If you are having a hard time reading images please try using Zoom, hold the keys CTRL, SHIFT, and + together to increase size on screen.
- Postcard # 1-
 - Use the key below the message to fill in the letters to read it.
 - Look at the stamp, do you recognize that animal?
- Puzzle 1-
 - Using the image, subtract and add letters or words to create a new word.
 - Try entering an answer, the error message for each word puzzle includes a helpful question that are good hints! Open a new tab to find the answer with Google!
- Postcard # 2-
 - Use the key below the message to fill in the letters to read it.
 - Look at the stamp, do you recognize that animal?
- Puzzle 2-
 - Open a new tab and use Google to find out where these animals like to live or what their natural habitat would be.
 - No habitat is repeated, if you are unsure make your best guess, the form will let you know if you are wrong and the error message might give you a hint.
- Postcard # 3-
 - Have you seen this place before? It also mentions the opera!
 - Look at the stamp, do you recognize that animal?
- Puzzle 3-
 - Unscramble the words in the puzzle, it uses only popular Australian animals. Open a new tab and use Google to see what some of those might be.
 - Put them in alphabetical order then use the directions or example to input your answer. All upper case and no spaces.
- Postcard # 4-
 - What places in the world have glaciers?
 - Look at the stamp, do you recognize that animal?
- Puzzle 4-
 - Were you able to open the link in a new tab? If the link is not working, please contact Morgan Lockard at mlockard@cc-pl.org.
 - Put the puzzle together and keep it open to answer the questions in this section.
 - You can also open a new tab and use Google to get the answer to these questions, it only concerns Antarctic penguins. For the last question: You will need to put the puzzle together or view this image:
<https://i.pinimg.com/originals/7e/61/f4/7e61f4c9c04b9315bb70c8889e7ce8bf.jpg>
- Postcard # 5-
 - Use the key below the message to fill in the letters to read it.
 - Look at the stamp, do you recognize that animal?

- Puzzle 5-
 - Is the video working? If not, please contact Morgan Lockard at mlockard@cc-pl.org. And use this link instead: <https://youtu.be/XEJC7JOlhEM>
 - Choose all the locations that Red Pandas can be found in and what do they eat. If you can't watch the video, open a new tab and use Google.
 - The Zookeeper mentions four Red Pandas that live at the Cincinnati Zoo, and she starts with mom at 6 years, the two babies at 8 months, and the only male Kenji at 4 years. Follow the directions using this information.
- Postcard # 6-
 - Use the key below the message to fill in the letters to read it.
 - Look at the stamp, do you recognize that animal?
- Puzzle 6-
 - Try using the second and third math problems to get the solutions for mole and toad first. Then replace their images with their numbers in the fourth and fifth math problems to get the solutions for badge and rat. Then finish the other two problems to complete the puzzle.
- Postcard # 7-
 - Where can you find geysers and what continent have you not visited yet?
 - Look at the stamp, do you recognize that animal?
- Puzzle 7-
 - Read the rhyme carefully and compare it to the images.
- Final Puzzle-
 - Use the directional key to input your answer, all upper case and no spaces.
 - Do not leave the map, all directions used in the solution should keep you on the map.
